My Dear Brother,

I now seat myself to write you a few lines, the subject of which will give you to understand that myself and family are not well. I have been sick more or less for two years and am very much reduced in flesh, so much so, I never expect to be a well man again. Old age and infirmity is wearing me away very fast. My wife has been in fine health for the two years past until about a week since she took cold and is now very sick with Newralja, but is a little better to day. Your friends and relations here are all ~~very~~ well with the Exception of myself and wife so far as I know or have heard. Rufus and Wyatt Draughn and their -- familys are well and have fine crops should the seasons hold out a little longer. we have been very dry here until a few days past. we have had some refreshing showers. Micajah Courtney and family are well and has a good crop Hampton and his family are well and I am told he has the best crop he has had for many years. Poor Matilda's family is also well and are doing well Jo? Denham is at Vicksburg and ? Kennedy with Gen'l Braggs' Army in Tennessee. Mrs. Kennedy and Margaret lives there alone. they have a good crop on hand and will make plenty. We were all very much grieved to hear of the Death of Poor Sarah. and Harman? and the Trouble and pain it has inflicted upon you, but when we reflect that we have all got to die, we should bear it with all the fortitude in our power. No person I presume can know the feelings you have on this occasion, but those who have, who have pass through similar Events. I feel for you, but that cannot relieve you My Wife sends her love and respects to you and your family and says she can only sympathise with you in your ~~trial~~ bereavement, that she has passed through these trying scenes, and know your feelings of Trouble. since I commenced writing this Letter Rufus has sent to me for Medicine and says he has the Chill and fever every other day.
